

Congratulations Graduates!!

May 24th and 25th were very special days for some of our little preschool pals! The half day preschool and the full day pre-k graduates worked really really hard to learn all of the songs for their performances. Some of them are clearly right at home in front of the public!! We were all very proud of their hard work and now... it's time to be a Leapfrog!!!

CONGRATULATIONS
CLASS OF 2010!!!
