

## Happy Holidays from HGCCC

The Christmas holiday is such a fun and magical time at HGCCC. We're always super busy making fun projects, learning about Baby Jesus' birth, waiting for Santa and of course our big family party. Here's what we were up to this December...

We made lots and lots of fun decorations but our favorites were the snow globes. We all bundled up and acted silly for our picture... check out the end result.

We'd told them Santa was watching but they didn't believe us until the day we found his hat outside!! Check out the excitement!!

Miss Molly began our family party with a story but it was interrupted by the sound of jingle bells. Check out our surprise visitor!! The kiddos were soo excited to chat with the big man himself! And we gave his hat back, too.

After that, we all went off to different stations to make art projects, mix reindeer food, have cookies and even make gingerbread houses! It was a great time!!

MERRY CHRISTMAS EVERYONE!!
