

"Hoppy" Easter!!

April 2nd was our annual Easter Party!! We had friends here from other catholic Schools that day, too. It was really fun. We made bunny ears, played lots of games, won lots of prizes and had a fun lunch, complete with 'mystery' drinks! Each person had a special jelly bean ice cube that turned their drink a cool color when it melted!! The best part of the day, though, was the Easter egg hunt!! We found 169 eggs with treats inside!! The weather got warm, too, so we spent lots of time having fun in the sun.
