

Summer FAQ

The summertime is the greatest time of year at HGCCC. We have all kinds of activities and events planned to keep all of our kiddos busy from age 3 all the way up. Here are some answers to frequently asked questions.

Q What is the cost of summer care?

A That depends on how many days you attend. Each family is billed for either full time (3-4 days per week) or part time (2-3 days per week).

Q Do I pay if my child doesn't attend?

A. Each family is billed regardless of attendance in order to assure that they have a spot. However, each family is also given two free weeks of vacation time that can be used at any point in time.

Q What is the Activity Fee and when do I pay it?

A Our activity fee for summertime is \$100 per child. This covers all of the extras that make summer so much fun, such as the weekly field trips and visitors, parties, etc. All activity fees are due in the business office the first week in July, as that is the beginning of our fiscal year.

Q How will I know which group my child is in, there are so many different activities to sign up for?

A We have split our groups up according to the following:

Tadpoles- preschoolers who will attend preschool or pre-K in the fall

Leapfrogs-preschoolers or pre-K kiddos attending Kg. In the fall

Superstar gr. 1- Children attending 1-2nd grades in the fall.

Superstar gr.2- Children attending 3rd grade on up in the fall

We hope you choose HGCCC for your summer care. For specific information on activities and events happening this summer, click the link for Summertime themes. If you have any other questions, please call or stop in any time.
