

The School Age Program at HGCCC.....

Preschoolers aren't the only ones who get to have fun at our center. On the contrary... Our school agers are always up for a great time! On a regular school day, they are expected to come over, eat snack and get straight to homework.

Our staff is always very willing to help them with any problem they may be having. After that, they can go play with their friends. Our school age staff LOVES to have a good time! They have been known to go WAY overboard planning their class's activities.

When school is closed for a day or the entire summer, our school agers really get to shine! We have been known to plan pizza and pajama parties, Fear Factor Halloween parties complete with a visit from the Children's Museum's Grossology exhibit, 3D IMAX trips, Car washes, Happy Birthday USA parties, Freaky Fridays (aka dress up days), Frosty Treats Fridays and soo much more.

Field Trips are also a BIG part of our program. When school is closed for Breaks and days off during the school year, we do our best to be sure that there is at least one field trip during this time. The summer,

however, is a whole different story. Each week has a theme and every week there is a field trip or visitor (sometimes more) that ties into that theme. We have gone to such places as Kid's Body Shop, the zoo, Children's Museum, Durham Museum,

Wildlife Safari, 3 Dog Bakery, Joslyn Art Museum, Fontenelle Forest, Gifford Farm, The fire station, and the list goes on and on....

The best part about our program is that you don't have to go to Holy Ghost to enjoy it. We have some children from OPS, Bellevue Public, Ralston Public, and other Catholic schools around the Metro. See?? Everyone is welcome here!!

If you have a school ager who would like to join in the fun, give us a call at the center 731-7929 and set up a tour today!! We'd love to have you!!
